PLAINTIFF'S MOTION FOR AN EXTENSION

Plaintiff Mathis Kearse Wright, Jr. respectfully moves for an extension of the deadline for filing his motion for attorneys' fees and expenses, and his bill of costs, until 14 days after this Court resolves the pending motion for reconsideration (ECF 287) and determines whether to correct a technical error that the Court identified in its remedial plan (ECF 288). The current deadline is February 26. (ECF 286.)

Until all motions are finally resolved, the amount of the plaintiff's attorneys' fees and expenses is a moving target. This Court has ordered the parties to state their position on correcting the remedial plan by February 25 (ECF 288), and that alone makes filing a motion for fees and expenses on February 26 impractical. It would be in the interests of judicial economy for the plaintiff to include as many of his district-court fees and expenses as possible in one motion rather than having to seek additional fees in dribs and drabs through supplemental motions.

This short delay will prejudice no one. Wright's counsel asked the County's counsel last Friday morning whether their client would oppose this motion, and the County's counsel has not yet responded as of Wednesday morning.

Accordingly, Wright asks this Court to extend his fee-motion deadline and his bill-of-costs deadline until 14 days after this Court resolves the pending motion for reconsideration and determines whether to correct a technical error that the Court identified in its remedial plan.

SO ORDERED this 19th day
of February, 2019

W. Louis Sands, Sr. Judge
United States District Court

Date: February 19, 2020
